JEFFREY R. McCORMACK :

CONSENT AGREEMENT

This matter is before the Department of Health, Division of Emergency Medical Services (hereinafter "Department"), upon the matters contained in the application for licensure as an Emergency Medical Technician-Ambulance filed by Jeffrey R. McCormack (hereinafter "Respondent"). Specifically, information obtained in conjunction with the application filed by Respondent indicated that in March 1994, Respondent violated General Law C90 s.24 in the Commonwealth of Massachusetts insofar as Respondent operated a motor vehicle while under the influence of intoxicating liquor. Respondent lost his motor vehicle license for a period of 45 days, was placed on probation, fined and ordered to comply with an Alcohol Evaluation and Treatment Program. A conference was held between the parties on 8 May 1998 and it was agreed as follows:

1. That the Department shall grant the application for licensure filed by Respondent provided, however, Respondent shall serve at least a twelve (12) month period of probation subject to the terms and conditions set forth in this Consent Agreement.

2. That said probationary period shall commence upon Respondent's employment and/or performing services as an Emergency Medical Technician with a licensed emergency medical service and will abate for the duration of any period in which Respondent ceases to be employed and/or performs volunteer services as an Emergency Medical Technician.
3. That Respondent shall present evidence to the Department of his evaluation in the Counseling and Education Program of the Greater Taunton Council on Alcoholism, Inc. prior to the issuance of his license as an Emergency Medical Technician.
4. That during the period of probation Respondent shall notify the Department forthwith in the event that he is charged with any crime by any law enforcement agency in any jurisdiction. The Department reserves the right to take appropriate licensure action should Respondent be charged with a crime in any jurisdiction.
5. That during the period of probation should Respondent fail to comply with the provisions of Chapter 23-4.1 and/or the "Rules and regulations Relating to Emergency Medical Services", or any of the terms of this Consent Agreement, the Department shall initiate appropriate action with respect to Respondent's licensure status.
6. That during the period of probation, Respondent's employers, including the Chief of the licensed ambulance
